Index to Gleanings in Bee Culture

Volume 99, 1971

General

A

AFB, drugs for control of ..55
Agriculture, changing, and apple pollination 341
Alphandery, Edmond, France, celebrates 100th birthday 149
American Honey Institute closes 98
goes on 179
over the years 98
American honey producer's report 228
American honey is best ..172
Apalachicola—river of gold 373
Apiary, management and colony, how about? ..326
reviving an 68
what's beyond the 210
Apiculture, who's who in ..180
Ashes, up from the 187
Autumn, bee hunting in ..377

B

Balance of nature never was 289
Banks, beehive toy, sought by collectors 215
Batik art, beeswax in 230
Bee, beliefs, amusing, in the Philippines 189
follower, and the bee bat 307
house, all weather 134
hunting in autumn 377
interesting and entertaining 403
louse, recent observations 57
meetings in Moscow ..405
shipments 199
shipments, postal service reports on 438
the African 185
Beehive toy banks sought by collectors 215
Beehives, decorated with folk paintings, now collector's items 63
Beekeeper, commercial, how about the? 361
indemnity program 259
neighbor, be kind to your 255
of the year, Pa. 127
Beekeepers, fifty thousand more needed 166
lot, try to improve the 305
mad as hornets 340
new year 256
Shangri-la 368
skep, of Luneburg 390
we need more 224
who suffer losses, help for 139
Beekeeping, backlot 126, 168, ..254, 288, 365, 396, 436
equipment, wood preservatives for 86
fifty years of 431
financing study initiated at N. E. Univ. 70
how about? 50
how did you start? 257
in Great Britain 13
interesting others in ..334
let-alone 28
merit badge for 59
winter is a good time to study 427
with scientific neglect ..364
Beemen and postal authorities meet 374
Bees, a fire chief's experience with 219
a thing of beauty is a joy forever 308
attracted to perfumed plants 143
birdhouse 296
can you tell me why? ...23
end citation 64
for pollination, when first used? 19
how not to start with ..372
I'm a believer in 312
lady and the 92
new use for 253
package, factors that determine price of ..138
produce more lemons ..99
Saharian, and hives of Morocco 251
wintering in a basket ..439
Bee Talks
bee equipment 370
beeswax 262
diary on mistakes I've made 62
dreaming season 434
harvesting and extracting the honey crop 338
have a honey stand 222
more on Allen Latham ..22
more on comb honey ..184
my honey house 302
old books, tools and..... journals are valuable 102
raising comb honey ...142
wintering bees and re-storing old equipment 402
Beeswax, a valuable by-product 435
in Batik art 230
points to remember in rendering 438
Billion, what's a. 371
Birdhouse bees 296
Brood comb, the Illinois ..331
Bumper crop 186

C

Carriers, are they culprits in honeybee deaths ..295
Colonies, loss of, through theft, how about? ...422
new life for, in old equipment 10
rented for pollination should have minimum food supply 299
Colony and apiary management, how about 326
strength multiplied by pollination 69
Comb, honey, chewing it for sinus etc.—try it, it might work 264
Comb honey, how to control wax worms in 49
Communication, how about 266
Crystallization in comb honey retarded by freezing—doesn't always work 189

D

Dandelion salad 234
Disease, control 27, 246
of major honeybee 292
Display, honey and beekeeping, promoting a 394
Dog has his day, every ...429
Drone, stung by queen ...52
Drones, my hats off to ...131

E

Earthday promotes honey 220
EAS honey show, N. J. winners 375
Electric winch, homemade 258
Equipment, multi-use 58
wood preservatives for beekeeping 86
Extracting 206

F

Father, had he but followed his 269
Film on honeybee mating behavior available ...223
Fire chief and his experience with bees 219
Five-pound can is in 88
Food and drug laws, background on pure ..67
Food supply specified for colonies rented for pollination 299
Fumigator, beehive, building a ..93, 135, 173
Fundamentals For All
ABC's of beekeeping ...371
beekeepers need farmers 303
communications 185
concentration on fundamentals pays off 339
conditioning puts us where we are 435
ecology—a new word to learn 23
honey, first and foremost, a flavorful food 403
is honey free from contamination? 103
lest we forget 143
robbing the bees 263
selflessness or selfishness 223
thievery or robbery 63

G

Gary, Norman, aids in fight against African bee ..409
